

Springtime for Brownback

CHORUS:

Kansas was having trouble
What a sad, sad story
Needed a new leader to restore
Its former glory
Where, oh, where was he?
Where could that man be?
We looked around and then we found
The man for you and me

LEAD TENOR LEGISLATOR:

And now it's...
Springtime for Brownback and Kansas!
The Wheatstate is happy and gay!
We're marching to a faster pace
Look out, here comes the Kansas Ace!
Springtime for Brownback and Kansas
Goodland's a fine land once more!
Springtime for Brownback and Kansas
Watch out, Midwest
We're going on tour!
Springtime for Brownback and Kansas...

CHORUS:

Look, it's springtime

SOLO:

Winter for Holland and Finance

CHORUS AND LEGISLATOR:

Springtime for Brownback and Kansas!

CHORUS:

Springtime! Springtime!
Springtime! Springtime!
Springtime! Springtime!
Springtime!

LEGISLATOR:

Come on, Kansans
Go into your dance!

LEGISLATOR "Kitty":

I was born in Dodge City and that is why
they call me Kitty.

LEGISLATOR "MEL":

Don't be stupid, be a smarty, come and join
the Grand Old party!

THE HEIL-LOs:

The Governor is causing a furor!
He's got those liberals on the fly
You gotta love that wacky guy!
The Governor is causing a furor
They can't say "no" to his demands
They're freaking out in eastern lands
He's got the whole state in his hands
The Governor is causing a furor!

SAM:

I was just a senator.
No one more obscurer
Got a phone call from the Brothers
Told me I was Governor
Kansas was blue
What, oh, what to do?
Drank up that cup of tea
And that party follows me
Now Kansas is shinning through!

SAM:

It ain't no myst'ry
If it's politics or hist'ry
The thing you gotta know is
Ev'rything is show biz

I love myself
Watch my show
I'm the Kansas Ethel Merman
Dontcha know
We are closing borders
The new world order is here
Make a great big smile
Ev'ryone embrace me
Wonderful me!

Springtime for Brownback and Kansas
Two-step's the new step today
