

## **CAN'T STOP THE WEED, TBA 2014**

**Solo 1:** You can't stop Sam's Roadmap  
as the state goes straight to hell  
you can try to stop this madness, boys  
but you know you never will  
And you can try to stop our new cash crop  
but we got to pay the bills  
'cause the schools still whine for  
more and more  
and the courts won't admit  
that our state is poor  
we were lost til we went to pot  
then we found our way  
'Cause you can't stop the weed

### **CHORUS:**

**Ever since this whole state began  
if we grew it we could chew it  
we could live off the land  
gonna sow it, gonna grow it  
grow the best that we can today.  
'Cause you can't stop  
the smokin' or the tokin'  
of the grass from the farm  
they can try to stop this miracle  
that's doin' no harm  
and if you try to stop us  
just remember we're armed today  
So you can't stop the weed!**

**Solo 2:** You can't stop a farmer  
And you cannot stop a train  
You can try to stop our new state crop  
but we're plantin' Mary Jane!  
And if they try to kill this K-Weed  
Then we'll just cultivate cocaine!  
'Cause the schools still whine for  
more and more  
And the courts won't admit  
That our state is poor  
We were lost til we went to pot  
Then we found the way  
So you can't stop the weed.

### **REPEAT CHORUS HERE.**
